PROFESSIONAL SUMMARY

My objective is to acquire a position that will give me the opportunity to apply my previous employment experiences to a growing industry that promotes quality products and provides me with opportunities to enhance my skillset with a high potential for career growth.

EXPERIENCE

Barista

02/2026 – 5/2026

Starbucks, Davie, FL

- As a Barista I greeted customers, took orders, and provided excellent customer service.
- Created quality beverages, including signature drinks, and following recipe and presentation standards, while also maintaining the store environment.
- I had to handle maintaining proper inventory, keeping equipment clean and properly functioning, and selling merchandise as well as provide coffee tastings to customers.

Sous Chef

06/2025 - 01/2026

Earls Kitchen + Bar, Ft. Lauderdale, FL

- Supported a fast-paced, team-oriented dining environment to deliver fresh, high-quality meals.
- Always ensured the schedule for the following day was up to par with callouts being recorded as well as calling people in as needed.
- Ensured food safety and sanitation standards, meeting special guest requests as needed.
- Moved up into a management role over time since opening and learned more about the management side of both the night and day business.
- Swung between all line, prep and expeditor stations to ensure top quality product was being made and sent out to guests.

Broiler Line Cook

02/2025 - 06/2025

Earls Kitchen + Bar, Ft. Lauderdale, FL

- Supported a fast-paced, team-oriented dining environment to deliver fresh, high-quality meals.
- Always ensured a clean and neat station as we are an open kitchen that guests can see inside.
- Ensured food safety and sanitation standards, meeting special guest requests as needed.
- Opened the restaurant on Las Olas Blvd. and became the highest grossing restaurant in the entire company.
- Learned every station other than broiler to become an efficient “floater” to help wherever needed.

Prep/Line Cook

02/2024 – 04/2025

Seasons 52, Sunrise, FL

- Supported a fast-paced, team-oriented dining environment to deliver fresh, high-quality meals.
- Prepared and portioned ingredients per recipe guidelines, maintaining efficient stock levels.
- Ensured food safety and sanitation standards, meeting special guest requests as needed.
- Coordinated timely food orders and followed recipe and presentation standards.

Prep Cook

05/2023 – 02/2024

Cooper's Hawk, Pembroke Pines, FL

- Maintained Cooper's Hawk quality by preparing recipes to exact specifications.
- Prepared salads, cold plates, sauces, garnishes, and portioned ingredients for service.
- Kept kitchen equipment in good condition and ensured food safety standards.
- Maintained a clean, organized, and well-stocked work area.
